Procedures/Implementation

No member of staff should ignore any form of racist behaviour anywhere in the school. It should be explained why this behaviour is unacceptable. (Also see anti-bullying policy).

All incidents of racist behaviour by anyone in the school should be reported to the Key Stage Learning Co-ordinator, who will record it in the relevant referral system. All incidents are calendared and followed up with the victim(s) after four and eight weeks to ensure the racism has stopped.

Every term, all incidents will be logged in the Racial Returns File.

All racist literature, insignia, badges and graffiti will be removed.

Offenders should be referred to the Key Stage Learning Co-ordinator. The expectation is that sanctions will be applied.

The curriculum must aim to:

- Promote a positive self-image
- Exploit opportunities to celebrate the richness and diversity of different cultures
- To present a variety of cultures to create an understanding of and interest in those different cultures and societies
- Exploit opportunities through assemblies to deal with issues of prejudice
- Exploit opportunities through PSHCE, e.g. the use of visiting speakers, role-play exercises, and the use of media and film
- Exploit opportunities for pupils, through subjects to unite and share experiences, celebrate festivals and develop a multicultural understanding.

Resources should:

- Reflect the fact that we are a multicultural society containing many ethnic groups
- Present positive images of people from ethnic minority groups and avoid racial stereotyping
- Present a balanced world perspective and an unbiased view of social and economic relations to the world
- Avoid tokenism either in style or content.

These resources should be regularly reviewed by Learning Co-ordinators and Middle Leaders.
