GCSE - Home Economics: Child Development

Child Development CNAT Levels 1/2

We would like to help keep you up to date with ways in which you can help your child in the run up to the summer examinations, and Controlled assessments. The present year 11 have already sat their final exam for this course in January 2019, however the remaining Controlled assessments are worth 50%, so this information is still very important. The present year 10 have their final examination in June 2019.

### Specification Details
The specification is Level 1/2 Cambridge National Certificate in Child Development Code J818

### What can students be doing at home?
- Pupils have already bought/been given the Letts and Lonsdale Essentials GCSE Home Economics Child Development Revision Guide and Student Workbook- these will also be available for present year 10
- The text book that pupils use in school is Child Care and Development: Pamela Minett. [www.hoddereducation.co.uk](http://www.hoddereducation.co.uk)
- Another text book is OCR Child Development for GCSE Carolyn Meggitt [www.hoddereducation.co.uk](http://www.hoddereducation.co.uk)
- Pupils have a folder with their class notes in school
- Another revision guidebook for sale is at: [https://www.cgpbooks.co.uk/Parent/books_gcs_0childdevelopment/book_CDR43](https://www.cgpbooks.co.uk/Parent/books_gcs_0childdevelopment/book_CDR43)

### Controlled Assessments- Year 11

Pupils have to plan and carry out and record activities with a child aged from 1 year to 5 years for Unit R020, this should include photographic evidence and the things a child might complete like a drawing, painting or a piece of writing or letter work. Please encourage them to keep on track with this and complete all homework tasks concerning this unit.
