

SIR JOHN NELTHORPE SCHOOL

RESPECT - RESILIENCE - INTEGRITY

TEACHER OF ART

Full-time Permanent from September 2024

Main Scale (MPS/UPS)

TLR available for the right candidate

We are looking to appoint a full-time Art Teacher to teach across Key Stages 3 & 4 from September 2024 with the opportunity to teach at KS5. Examination courses taught within the Faculty include Art (Fine art), Art (Photography), Art (3D Design) & Art (Textiles). It would be desirable, but not essential, to be able to contribute to elements of KS3 D&T. The post will be supported with an excellent induction and CPD programme.

Sir John Nelthorpe School is a successful and popular 11-19 mixed comprehensive school with a rapidly growing roll (approximately 800 students). It has a caring ethos and a long tradition of academic attainment.

If you have the qualities and ambition required for this post we look forward to receiving your application by post or by email to admin@nelthorpe.org.uk by **9:00am on Monday 15th April 2024.**

Sir John Nelthorpe School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will be subject to an enhanced DBS check and supportive references.

If you would like to speak to the Head of Faculty about the post or visit the school before applying please email admin@nelthorpe.org.uk or call 01652 656551 before 28th March 2024.

“Pupils behave very well. Staff develop positive attitudes to learning, which results in a calm atmosphere in lessons” Ofsted 2023

TECHNOLOGY & ART

Structure of the Faculty

The Technology & Art Faculty is led by a Head of Faculty and supported by an Assistant Head of Faculty. There are three full-time teachers and two part-time teachers within the faculty and the faculty is supported by two part-time technicians. There is also an assigned Senior Leadership Team line manager.

The Technology & Art Faculty continues to grow and develop, offering pupils a diverse, dynamic, and forward thinking curriculum. Each member of the team is given an opportunity to contribute to our pupils' experiences of the subjects taught within the faculty, building on the expertise within the team. In addition, faculty-wide systems and a collaborative ethos, including a collaborative approach to planning and resourcing lessons, mean that the Technology & Art Faculty is one in which teachers can thrive and develop. Most staff within the faculty currently teach across multiple subjects within the faculty.

Curriculum - Pupil experience from September 2024:

Key Stage 3 (1 x 50 minute lesson each per week)

- Art
- Design & Technology

Key Stage 4 (3 x 50 minute lessons each per week)

- AQA GCSE Art (Fine Art)
- AQA GCSE Art (Photography)
- AQA GCSE Art (3D Design)
- AQA GCSE Art (Textiles)
- AQA GCSE Food & Nutrition

Key Stage 5 (5 x 50 minute lessons per week)

- AQA A-Level Art & Design

Our curriculum is based around a three-year KS3 and a two-year KS4 model. Teaching groups are taught in mixed ability. Through a carefully planned curriculum, with guidance and support, we hope that every pupil can find enjoyment through their learning of creative subjects in such a way that it prepares them to express their individuality and originality using a variety of practical mediums.

The faculty places high value on pupils' engagement within design work, promoting their creativity to produce outcomes of an outstanding nature; there are opportunities to develop the extra-curricular activities offered by the faculty, which currently include entries to various local art competitions, STEM, Art & Food clubs, Trash Fashion Week, plus a variety of house competitions within school. We work as a faculty to plan courses and to develop resources for use in delivering the curriculum. Much of our success as a team stems from the corporate approach that we take to all aspects of teaching and learning and the willingness for all members of the team to work together to achieve our common goal of being 'outstanding'. You will join the faculty at an exciting time. We currently have at our disposal a mixed-material workshop space, two design classrooms (one is equipped with a full suite of PCs), one food & nutrition kitchen, a textiles room and two art rooms (inc. a full suite of laptops). It is the intention from September 2025 to be able to relocate the faculty into brand-new state of the art facilities.
