Dear Parents/Carers

Once again, we are delighted that you have chosen our school for your child. In our welcome letter we asked you to complete our contact details form so we could ensure we had the most accurate and up to date contact information for you and so we could send you login details for Edulink, our pupil and parent engagement app and SCOPAY, our online payment system. If you have not yet done so, please complete the form by clicking **here** as soon as possible.

Unfortunately, we have had to make a change to the dates of our Year 7 Intake Evening for Parents and Pupils and Family Treasure Hunt. This event will now be combined and take place on Thursday 11th June 2026 from 3.45pm, further information about this event including a booking link will be sent in mid-May.

As we let you know in our welcome letter, we will be visiting your primary school between the 18th-22nd May 2026 to meet your child and help address any questions or concerns they may have.

Important dates for your diary:

Thursday 11th June 2026 - Year 7 Family Treasure Hunt & Intake Evening for Parents and Pupils
Thursday 9th and Friday 10th July 2026 - Transition Days

What's Next?

You'll soon receive your login details for our parent engagement app, Edulink and school payment app, SCOPAY. Both systems can be accessed through a web portal or a dedicated mobile app, downloadable from the App Store or Google Play. Please activate your logins and check that the information we hold for your family is correct by **Friday 15th May 2026**.

What is Edulink?

Edulink is an online communication platform that we use to help you stay informed and involved in your child's education. We use it so you can:

Timetable - view your child's school timetable, including details of lessons, subjects, and teachers.
Academic Progress - access reports on your child's performance, including grades, assessments, and progress over time.
School Calendar - see upcoming school events, holidays, and term dates.
